

Anna Lajourdie's Akzentz Education Classes

PROFESSIONAL NAIL TECHNICIAN TRAINING PROGRAM

12 week, semi-private, extensive practical and theory training that covers natural nail manicures, gel manicures, gel sculpted extensions, tip overlays, clear gel and "french" rebalances, finishing techniques, safe electric file use, sanitation procedures, in depth product chemistry knowledge and much more.

Classes are conducted once a week, which allows students for practicing between classes.

At the end of the course after passing both practical and theory exams students are awarded internationally recognized Akzentz Nail Technician Certification.

Cost:

Tuition- \$1500 + GST

Professional Kit - \$997.16 (reg price is 1295.00) + GST/PST

Please call or email for complete course outline and schedule. Classes start January 04/2010

Akzentz Technique Class (Level 1) - semi private (4 people max)

This class is for existing nail technicians who are either beginners or are working currently with L&P ("acrylic").

The areas covered are the same as in the Level 2 but more emphasis will be put on proper form placement and proper application of gel.

2 models are required. Please bring your manicure implements with you. All other products will be supplied.

4 days (4-5 hrs. each day)

Day #1- Full set, Sculpting- Natural free edge extensions (Model 1)

Day #2- Full set, Sculpting- Permanent French look (Model 2)

-- 2 week break--

Day #3- Rebalance and troubleshooting (Model 1)

Day #4- Rebalance and troubleshooting (Model 2)

Cost: \$800 (and receive \$100 voucher towards Akzentz products)

Please call or email for available dates

Akzentz Technique Class (Level 2)- semi private (4 people max.)

Class designed for existing nail technicians working comfortably with gel and simply wishing to improve their technique.

Proper use of electric file is demonstrated as well as prople preparation, form placement, application of various gels and finishing of the gel nails.

Areas covered:

- Sculpting of natural looking extensions.

- Rebalances (learn to make longer lasting enhancements and double your clientele!)

- NEW! "Gel Manicures" (salon tested and proven technique)

Model is required. Please bring your manicure implements with you. All other products will be supplied.

2 days (4-5 hrs each day)

Day #1 - One hand: gel manicure, other hand: natural looking sculpted extensions

-- 2 week break--

Day #2 - Maintenance

Cost: \$500 (and receive \$100 voucher towards Akzentz products)

Please call or email for available dates

Private Consultation with Anna Lajourdie

This class is designed specifically for you. Please come with a model and I will go over any problem areas you might have. I

can also help with your salon set up, marketing ideas, pricing, teach you time saving techniques and more...

You can split the cost if you come with another nail technician instead of the model!!

Cost: \$300/day (5 hrs)

On location classes also available! (additional travel time charge might apply)

Please call to book appointment.
